Festival 2012* June 06 - 10

DMY International Design Festival 2012

With more than 750 designers from over 30 nations the DMY International Design Festival Berlin has grown into the largest product design festival in Germany and one of the most important international platforms for creative, experimental and forward-thinking design.

Exhibitors

New products by established designers and companies,
curated exhibitions by international partner festivals and fairs.

New Talents

Experimental and innovative design by the up-and-coming generation.

Universities

For national and international colleges, schools, universities, academies at the main venue. Presentations of current projects, prototypes, experiments and innovative processes, showcasing future trends and new developments in design research.

Satellites

Satellite exhibitions by design studios, galleries, museums, design institutions and embassies spread all over Berlin.
